U.S. Marines dismount from a CH-53D Sea Stallion helicopter in Helmand province's Nawa district, Afghanistan, Aug. 26, 2009. The Marines, assigned to Regimental Combat Team 3, are conducting counterinsurgency operations with Afghan forces in southern Afghanistan. U.S. Marine Corps photo by Lance Cpl. Jeremy Harris

Linda Robinson is a senior international policy analyst at the RAND Corporation. Her areas of expertise include national security strategy, international affairs, U.S. foreign policy, security force assistance, joint force development, special operations forces, irregular warfare and stability operations. She has worked in South Asia, Iraq, the Middle East, and Latin America as a journalist and researcher. She was senior adviser to the AFPAK Center at USCENTCOM (2010-11). She is the author of *One Hundred Victories: Special Ops and the Future of American Warfare* (2013), *Tell Me How This Ends* (2008), *Masters of Chaos* (2004), and *Intervention or Neglect* (1991). She is also on the board of the National Defense University, chair of the Army War College board, and a senior fellow at Joint Special Operations University.

Special consideration is given to the Office of the President for providing funding to support IAS 3003.007, 9/11 and the War on Terror as a Presidential Dream Course and these guest lecturers. All events are free and open to the public. For accommodations on the basis of disability, please contact IAS at 325-1584.
