Title: Academic Appeals Policy

The Academic Appeals Policy provides students with an appeal mechanism by which they can request a hearing before an Academic Appeals Board for appeals related to: an academic evaluation in a course; suspension or dismissal under the Student Professional Behavior in an Academic Program Policy, and academic program-related decisions resulting in the student being dismissed from a program or being required to decelerate.

The sole basis for an appeal is an alleged prejudiced or capricious evaluation or decision. The policy and procedures regarding academic appeals are detailed in the OUHSC Faculty Handbook.

The OU School of Community Medicine PA Program follows the Student Academic Appeals Policy and Procedures as described in the OUHSC Faculty Handbook (Appendix C), which details the basis, criteria, and process regarding academic appeals.
