Learn about the average salary, relevant studies, and common path after college to becoming Police, Patrol Officers, Detectives, and Criminal Investigators.

TIPS

In today's job market, making the right career moves means getting timely, accurate information from the right sources. Handshake is launching new features for all job seekers, including:

- **Posting Content:** Share videos, text, images, and links directly to Handshake's feed.
- **Commenting & Discussion:** Engage with content that matters to you.
- **Refreshed Profile:** Stand out online with an updated profile design.
- **Web Access:** View and interact with content from any browser, not just the mobile app.

These tools make it easier to learn from others, share your story, build your network, and get noticed by the companies you're interested in. Handshake is now your go-to early career social network. See more details [here](#).

EVENTS

·[Social Science Roundtable – What Can I Do with My Degree?](#)

(11/7/2024, 2:00-4:00 pm CDT)

·[EPA Federal Careers Virtual Workshop](#) (11/13/2024, 10:00-11:30 am MST, [11:00 am-12:30 pm CST])

·[Non-Profit and Community Engagement Fair](#) (11/19/2024, 11:00am-1:00pm CDT)

Attendees can explore career opportunities, internships, and volunteer roles in areas such as education, health, environmental advocacy, social services, and more. This event provides a unique platform to network, learn about non-profit career paths, and discover how to make a difference locally and globally.

ACCESS AND OPPORTUNITY
