

# GRADUATE FACULTY MEMBERSHIP CATEGORIES

## Departmental Criteria

Department of Philosophy

January 5, 1993

### **Category: M0**

1. *Degrees Required:* Doctorate or its equivalent or strong evidence that all Ph.D. requirements will have been completed during the normal term appointment.
2. *Research Activities Required:* Demonstration of research. Evidence of which may include, but is not limited to, the doctoral dissertation, papers delivered at academic conferences, review articles for scholarly journals, research reports, or the production of publishable manuscripts on academic topics in philosophy or in related fields.

### **Category: M1**

1. *Degrees Required:* Doctorate or its equivalent.
2. *Research Activities Required:* Same as *M0*.

### **Category: M2**

1. *Degrees Required:* Doctorate or its equivalent.
2. *Research Activities Required:* Same as *M0*.

### **Category: M3**

1. *Degrees Required:* Doctorate or its equivalent in philosophy or in related areas.
2. *Research Activities Required:* Demonstration of continued quality research. For example, the publication of three substantial papers in outstanding academic journals during a five-year period would normally suffice for recommendation for reappointment at the *M3* level. Other forms of evidence of continued scholarly research might include the publication of a book or book chapters with nationally or internationally respected academic journals or presses. In some cases, other scholarly activity may be considered by the Department's Graduate Faculty Committee as being in accordance with these standards.

### **Category: Special Member**

1. *Degrees Required:* Doctorate or its equivalent.
2. *Research Activities Required:* Either demonstration of continued scholarly work in the field of specialization, e.g., professional academic publications, or documentation of extensive and outstanding teaching in the field.
