HUMAN RESOURCES

The UNIVERSITY of OKLAHOMA

You are receiving this email because you currently participate in a University retirement plan and elected a transitional bridge payment as part of the recent transition from the monthly to biweekly pay schedule. We are writing to remind you that no retirement contributions were taken on this bridge payment, which was paid today, May 3, 2024. This includes both employee and employer contributions to Oklahoma Teachers Retirement System (OTRS) and Fidelity, including voluntary plans.

Retirement contributions will resume on the following paycheck that pays on May 17, 2024.

Because of this transition, you may want to review contribution percentages to any voluntary retirement plans to ensure your personal goals are met for 2024. To make changes to your 403(b) or 457(b), please login to netbenefits.com.

Questions?

For additional information regarding retirement contributions, please contact HRRetirement@ou.edu.

For additional information regarding your bridge payment or the biweekly pay schedule transition, please contact paydaychange@ou.edu.
