The Board of Regents of the University of Oklahoma (University) invites all interested parties to submit a written response to this Request for Information (RFI). This is only an RFI. It does not constitute a commitment, implied or otherwise, that the University will take procurement action in this matter, and it is limited to providing sufficient market research, education, and information for the University to make decisions regarding the particular Purpose and Objective. The University is not responsible for any cost incurred by a supplier or other third party in responding to this RFI.

Brief Description of Requirements.

The University of Oklahoma. Founded in 1890, the University is Oklahoma's flagship public research university with campuses in Norman, Oklahoma City, and Tulsa. The University is governed the Board of Regents of the University of Oklahoma, a constitutional entity, and is part of the Oklahoma State System of Higher Education. Its main campus in Norman, Oklahoma provides educational opportunities to more than 20,000 undergraduate students in more than 170 programs. The OU Health Sciences Center (OUHSC) located in Oklahoma City and serves as the primary place of instruction for many of Oklahoma's health professions including medicine, nursing, dentistry, allied health, public health, and pharmacy. OU-Tulsa, located in Tulsa, Oklahoma, provides offers residents in northeast Oklahoma programs from both the Norman and OUHSC campuses. Additionally, because of the University's research activities, the University campus houses the National Weather Center, the Stephenson Research and Technology Center, the Stephenson Canner Center, the national Radar Innovations Laboratory, The Children's Hospital, the Harold Hamm Diabetes Center, the Dean A. McGee Eye Institute, and other renowned public and private institutions.

Responses, Questions, and Communication. Please direct all responses, questions, and other communications to the University Contact. All responses, questions, and other communications shall be conducted electronically and reference the RFI #. If a potential Vendor is unable to respond electronically, please contact the University's Procurement Department at (405) 325-2811.

Questions Deadline. If a Vendor has a question concerning the RFI or needs clarification, please submit the question to the University Contact by the Question Deadline. The University will, in its discretion, provide written responses to questions. All questions and responses will be posted to University Procurement's website. All potential Vendors should periodically check that site for updates, questions, responses, and other information.

Response Deadline. All responses to the RFI must be submitted to the University Contact by the Question Deadline.

Demonstration and Questions. The University reserves the right to request demonstrations and clarifications from any or all respondents.

1. Purpose and Objective.

2. Potential Scope.

3. Supplier Questions. Please respond to all questions and provide data, materials, and other information referenced in the responses.
