Punt, Pass, and Kick Information

- All participants must provide a valid OUID (with picture) prior to participating.
 - No OU ID = No Play

The Game

- 1) All equipment will be provided by OU Intramural Sports. Participants may not utilize their own equipment.
- 2) Each participant will be allowed one punt, one pass, and one placekick as part of his/her competition.
- 3) If a participant tries to punt, pass, or kick and misses the ball completely, it does not count as an attempt and one additional attempt is allowed.
- 4) Scores will be determined from where a participant's punt/pass/kick first makes contact with the ground.
- 5) To receive a score, the ball must land inside the lines on the designated PPK Field. Field markings will be made visible for all participants to understand the boundaries.
- 6) If the ball does not land inside the field markings, the participant will receive a distance score of 0 for that punt/pass/kick. (Ex. Participant 1 punts the ball 30-yards, passes the ball 40-yards, and kicks the ball 45-yards but the ball lands out of bounds on the kick. Participant 1's final score will be $30 + 40 + 0 = 70$ total yards.)
- 7) Scores are based to the nearest foot.
- 8) A participant's final score is his/her cumulative total for the three individual events. (Example: If a participant scores 40 for punting, 60 for passing, and 22 for kicking, the participant's final score is 122.)
- 9) If a participant goes over the line before releasing or making contact with the ball, he/she will be penalized 5 yards. Exception: in kicking, a participant may go over the line without penalty provided the tee is placed on or behind the line.
- 10) There is no violation if the kicking tee is kicked with the football.
